Wrecking Ball

Creeper Lagoon

I said, slide back, relax
I wanna hold you, but you break
Please, just let it outIf you think I'm a ghost
Well, touch me sweet Sheila
'Cause I can't take it no moreEvery day I'm away
Stumbling for what to sayHey, I'm coming down like a wrecking ball
Breaking her heartWhat are you supposed to be?
Won't you get close to me?
Break that building downAnd you know it's tough to take
I got to hold you, but you break
Please, just let it outEvery day I'm away
Stumbling for what to sayHey, I'm coming down like a wrecking ball
Breaking her heart
Like a plane that's coming down
Like a wrecking ball falling apartEvery day, I always come to find
Everyone's dumb and blind
I say just fuck it all, I know it's fearless
Heartless, careless I'm inHey, I'm coming down like a wrecking ball
Breaking her heart
Like a plane that's coming down
Like a wrecking ball, falling apartHey, I'm coming down like a wrecking ball
Breaking her heart
Like a plane that's coming down
Like a wrecking ball, falling apart
