

# Siren's Song

## Sydney City Trash

I've been alone & I've prayed for this  
But I never want to be so clear.  
I hold my head & I'll beg for this  
But I never want to be so clear. I came back for you  
Even if you won't too.  
No. I can't beg for you  
Even if you want to.
