

# Shining Star

## Jump5

Yeah, yeah  
When you wish upon a star  
Your dreams will take you very far  
When you wish upon a dream  
Life ain't always what it seems, oh yeah  
Once you see your light so clear  
In the sky, so very dear  
You're a shining star  
No matter who you are  
Shining bright to see  
What you can truly be  
What you can truly be  
Shining star, come into view  
Shine it's watchful light on you  
Give you strength to carry on  
Make your body big and strong, oh yeah  
So if you find yourself in need  
Why don't you listen to His words of heed?  
Be a tiny grain of sand  
Words of wisdom, yes I can  
You're a shining star  
No matter who you are  
Shining bright to see  
What you can truly be  
What you can truly be  
You're a shining star  
No matter who you are  
Shining bright to see  
What you can truly be  
What you can truly be  
Shining star for you to see  
What your life can truly be  
Shining star for you to see  
What your life can truly be  
Shining star for you to see  
What your life can truly be  
Shining star  
Shining star  
Shining star for you to see

Shining star for you to see  
You're a shining star  
No matter who you are  
Shining bright to see  
What you can truly be  
What you can truly be  
You're a shining star  
No matter who you are  
Shining bright to see  
What you can truly be  
What you can truly be  
Shining star for you to see  
What your life can truly be  
Shining bright to see  
What you can truly be  
What you can truly be  
Shining star for you to see  
What your life can truly be
