

Fight for You

RZA & Thea Van Seijen

Everywhere I turn there's bombs going off
Just total chaos all around me, smoke all in the air
There's casualties in love, broken hearts laying everywhere
 But they don't scare me at all, I got my armor on
 Damn right, I'm ready for battle, I know it's dangerous
 Right now I'm strong enough, I'm pushing through to you
 Baby, I'm on my way
 And I'll fight for you, I'll do what I gotta do
 Yeah, I'll fight for you, I'll fight for you
 I'd risk my life dying on the front line for you
 I'll fight for you, for your love
 I'd fight for your heart, go to war to be next to you
 And no, I won't stop 'til you're mine
 Boy, I'll fight for you, I'll fight for you
 I'll fight for you
 Okay, I'm going in, better take cover
 Better yet, find another 'cause this one's for me
 It's about to be some warfare, I don't care cause the way
 I feel about him I'll go there but they don't scare me at all
 I got my armor on
 Damn right, I'm ready for battle, I know it's dangerous
 Right now I'm strong enough, I'm pushing through to you
 Baby, I'm on my way
 And I'll fight for you, I'll do what I gotta do
 Yeah, I'll fight for you, I'll fight for you
 I'd risk my life dying on the front line for you
 I'll fight for you, for your love
 I'd fight for your heart, go to war to be next to you
 And no, I won't stop 'til you're mine
 Boy, I'll fight for you, I'll fight for you
 I'll fight for you
 Go ahead and mark this date in history
 'Cause it's the battle of the century
 There's never gonna be another soldier for love
 That will fight for you like me
 I'll fight in the south, I'll fight in the north
 I'm gonna fight for you like I never fought before
 I'll fight in the west, I'll fight in the east
 Baby, you my man anywhere I wanna be

I'll fight in the south, I'll fight in the north
I'm gonna fight for you like I never fought before
I'll fight in the west, I'll fight in the east
Baby, you my man anywhere I wanna be
And I'll fight for you, I'll do what I gotta do
Yeah, I'll fight for you, I'll fight for you
I'd risk my life dying on the front line for you
I'll fight for you, for your love
I'd fight for your heart, go to war to be next to you
And no, I won't stop 'til you're mine
Boy, I'll fight for you, I'll fight for you
I'll fight for you, I'll fight for you
