

All I Want

Violent Femmes

All I want is to talk to you
All I want is to talk to you
I'm achin' for your touch
I'm breakin' cause I miss you so much
Do you miss me, too?
All I want is to walk with you
All I want is to walk with you
I'm hopin' for your kiss
I'm dopin' cause I miss you so much
Do you miss me, too?
Little bit closer, little bit closer, someday

When I try to get closer, then you move away
And all I want to say is all I want is to be with you
All I want is to be with you
You're hurting deep inside
You're flirting cause you need to feel that you are still alive
Little bit closer, little bit closer, someday
When I try to get closer, then you move away
And all I want to say is all I want is to walk with you
All I want is to talk with you
I'm prayin' for one night
I'm layin' so low cause I love you so though I know it ain't right
