The Devil Walks

My Ruin

It takes a lot to get me down when I'm high
I know you're no friend of mine
I can see the Devil in your eyes
Look at me, I'm Jesus Christ
All alone so throw your stones
At my words and lovely bones
Blood that's red and mouth that's mean
Raise your fucking hands with me!
Forgive - I have sinned
Believe I'll do it again
Well, I've been down this road before
And every time you never change your mind
You see me in black and white
Nailed to the cross and crucified
Look around me, smell the flies
Judas filling me with lies
But I don't hide the blood I bleed
Raise your fucking hands with me!
Forgive - I have sinned
Believe I'll do it again
WALK WITH ME
THROUGH THE VALLEY
FEAR NO EVIL
WALK WITH ME
I'M THE BADDEST MOTHERFUCKER IN THE VALLEY!
With all of your questions
And words in your head
You went sarching for God
And met the Devil instead
WALK WITH ME
THROUGH THE VALLEY
FEAR NO EVIL!
WALK WITH ME
HONESTY IS THE HOLIEST DISEASE
