

Kiss It (feat. Sage The Gemini) [Radio Edit]

Dev

Let me make it clear
I don't want you here
Feels like it's been years
Only been a month
Looking in the mirror
I have more beers
Than I've shed tears
I don't even drink La la la la (drink)
La la la la (drink)
La la la la (drink)
La la la la You say you wasn't even there
So why you gotta be right there?
I told you I would be right back
Don't like it? You can kiss my ass
Don't you ruin, eat of my heart
Knew you would break it from the start
I thought that we could make it last
Now I know that you kiss my ass La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it) [Sage the Gemini]
I ain't turt, through the exit
Girls giving me numbers, telling me text her
Me and Dev we hide it in Texas
Starred in MTV where all these dudes get naked
Getting hecting, living life so reckless
My money tattos, play you instrument nexus
And give me got shout, with a 12 gate
Throw you an ass of Jame like 12 play, huh
Since you left me I'm a new man
You want space here's some new rim
All my exes are dodged, I'm like new rims
Raising to that money, and that new rim You say you wasn't even there
So why you gotta be right there?
I told you I would be right back
Don't like it? You can kiss my ass
Don't you ruin, eat of my heart
Knew you would break it from the start
I thought that we could make it last

Now I know that you kiss my assLa la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)Living, work out, gym
Couldn't fuck with him
He won't take a hint
He should give a court
He was more broke
Then he was a joke
I don't even smoke
I should be more bluntLa la la la (blunt)
La la la la (blunt)
La la la la (blunt)
La la la laYou say you wasn't even there
So why you gotta be right there?
I told you I would be right back
Don't like it? You can kiss my ass
Don't you ruin, eat of my heart
Knew you would break it from the start
I thought that we could make it last
Now I know that you kiss my assLa la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
La la la la (kiss it, kiss it)
