

Free Your Hate (Kaptn's Krunch Mix)

KMFDM

Silence is golden
Ignorance bliss
Better off not asking
What you'd rather forget
And as the vice grip choke holds
All of our freedoms are meeting their end
And for the wars they wage
Numberless troops lie wounded or dead
The beatings will continue
Until morale improves
Free your hate
Crusade in the days of rage
Perilous folly
Rise up against your fate
Free your hate
Crusade in the days of rage
Tireless cunning
Stampede and break your chains
Terror at gunpoint
Torture at large
Enemy combatant
Labeled a threat
Without trial or charge
Repetition of history
Messenger, Prophet, martyr for God
All for once and for all
Reclaim your power
The tyrant must fall
The beatings will continue
Until morale improves
Free your hate
Crusade in the days of rage
Perilous folly
Rise up against your fate
Free your hate
Crusade in the days of rage
Tireless cunning
Stampede and break your chains
Free your hate
In the days of rage
Free your hate
In the days of rage
In the days of rage
In the days of rage
Free your hate
Free your hate
Free your hate
In the days of rage
In the days of rage
In the days of rage

In the days of rage
In the days of rage
