

So Excited (Bimbo Jones Instrumental Dub)

Janet Jackson

Breathe

You get me soGet me so excited, I'm hot, come on, so get it ready

And I'll open my spot for you anytime you want me to

So you can act bad, don't hurt me, look sexy, talk dirty

And I'll open my spot for you anytime you want me to

Get me so excitedFor some reason it might be the money that really turns you on

But for me it's an attitude that keeps me tight on the floor

And no words are suitable to describe your swagger, babe

And my body is in overdrive then I have you inside of meIf you like it then I'll do it? I go head to toe

And whenever you pursue it, you'll never hear the word no

So forget about them other girls, baby

'Cause now you're rollin' with a woman, baby

I'ma keep your body thumpin', baby, it's the least I can do'Cause you get me so excited, I'm hot, come on, so
get it ready

And I'll open my spot for you anytime that you want me to

So you can act bad, don't hurt me, look sexy, talk dirty

And I'll open my spot for you anytime you want me to

Get me so excitedSo amused by mind control that I wanna get two steps up

As for me I'm a let you know that my body's smoking hot

Throw me up against whatever's close and get to bossin' me around

And every time I give you the assist you know how to slam it downIf you like it then I'll do it? I go head to toe

And whenever you pursue it, you'll never hear the word no

So forget about them other girls, baby

'Cause now you're rollin' with a woman, baby

I'ma keep your body thumpin', baby, it's the least I can do'Cause you get me so excited, I'm hot, come on, so
get it ready

And I'll open my spot for you anytime that you want me to

So you can act bad, don't hurt me, look sexy, talk dirty

And I'll open my spot for you anytime you want me to

Get me so excitedIs ya? Is ya? Is ya hungry? I gotcha, I gotcha

I gotcha licking on my, licking on my

Licking on my body, body like it's something to eat

So you can act bad, don't hurt me, look sexyGet me so excited, I'm hot, come on, so get it ready

And I'll open my spot for you anytime that you want me to

So you can act bad, don't hurt me, look sexy, talk dirty

And I'll open my spot for you anytime you want me to

Get me so excitedOne, two, three
