

# Just Go

## Wizo

I really like you but unfortunately  
I think I found out that you're in love with me  
that ain't no problem  
although you're fat and ugly  
the only scary thing is  
you're 2 feet bigger than me! I tried to tell you that things wouldn't work out  
I couldn't finish, cause you were moaning loud  
you pulled me towards you  
and choked me in your fat  
you asked me if I love you, I was almost dead! It drives me to despair, I can't get rid of you  
you keep on bugging me, I don't know what to doJUST GO! - I don't care and I don't wanna know  
I just don't want to see you anymore  
Yeah yeah yeah - JUST GO!  
Why the hell don't you leave me alone?!
