Man Of War

T.Z.A.

You think your way is the best way for all
You don't know everything so you don't know it all
You got respect a man for the way that he feels
And you can't make people do things against their willMan of war, don't go to war no more
Why don't you, why don't you study peace?
Man of war, don't go to war no more
Study peace 'cause peace is what we needJust because your army gives you strength, gives you might
Truth is gonna win, wrong will never conquer right
Every man has the right to think and be free
You're like a spoiled brat, you want everything, you seeMan of war, don't go to war no more
Why don't you, why don't you study peace?
Man of war, don't go to war no more
Study peace 'cause peace is what we needYou think your bombs guns, and planes make you a big man
When you attack and invade on another man's landTryin' to make him be what you want him be
Make him do what you want him to
Make him say what you want him to say
It wasn't meant to be that wayYou think your way is the best way for all
You don't know everything so you don't know it all
You got respect a man for the way that he feels
You can't make people do things against their willMan of war, don't go to war no more
Why don't you, why don't you study peace
Man of war, don't go to war no more
Study peace 'cause peace is what we need
