

I'm Wild About You

Al Green

Always talk about love, what do you know
I never talk about love, I just like to show
Something wrong, you can tell me, I need to see, oh yeah
I talk my talk and I walk my walk, just you and me No doubt I'm wild about you baby, hey I'm wild
I'm wild about you baby, there ain't no doubt There's always talk about things, I, I cannot change
There always moves about things, I, I can't rearrange I'm wild about you baby, you know, how I feel, hey baby
I'm wild about you baby, your down in my heart,
Your down in my mind, your down in my soul yeah, soul yeah I love you so much, I wanna take you in my arms,
Take you in my arms, take you in my arms yeah Mocking down about somethings, I can't remain, oh yeah
I'm standing on the one I can depend on
And there can't be no gain I'm wild about you baby, yes sir
I'm wild about
I'm wild about you baby,
I'm wild, I'm wild
I'm wild about you baby, good God
I'm wild, yeah
I'm wild about you baby,
You don't know how it feels
Yeah, yeah
