

Time to Play

Wisdom In Chains

When I fight, I fight alone and I don't run cause there's nothing to run from.

When I'm out I stay with my boys.

We our thing and we try to have a good time.

When I work I work alone and when I get home I call my friends.

Have some fun and try to make up for the hard times.

When they over the hard times end. 12 hours a day and I wanna go home.

Working all day now it's time to play
