

don't make a scene

Jessi Robertson

Well we're not wrong yet
When we're safe in youth
And it's on and on
Our mistakes are trueShould we take the call

When the sun gets low
It's a long day coming
If we see it allI don't mean it was
Good enough to pretend
But it worked for a time

That's close to the endI'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't make a soundIf we're not wrong yet

Am I safe in you?
Can it all go on
If mistakes are trueI don't mean it was

Good enough to pretend
But it worked for a time

That's close to the endI'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't make a soundAnd I'll be on my own 'cause I don't feel like
myself
and if she's falling down don't make a scene don't make a sound
