

# Big Ideas, Pt. 2

## Small Black

I recall a time when the moon  
was full  
and you had no idea  
where you were  
side by side  
came out to surrender  
I wore the best  
thing I could find  
love is a choice  
love is no answer  
back through the empty  
house of the zodiac  
onto some  
better myth  
death is one thing  
to be dead is another  
it was the last thing on my mind  
Maybe, I'd like to  
live in this place  
Maybe, I'd like to be for you  
what you are for me  
what you are  
what you are for me  
love is a choice  
love is no answer  
love is  
a choice like any other
