Connector

The Coral

You are not the only one
To open up your heart
We come together then we come apart
I am not the plans you made
That lie broken in two
I am just the reflection of you
I'm the connector
You 're the receiver
You 're the projector
I'm the believer
You dance out the window like
A child drawn to a flame
Bow down to the masters of your shame
I am but the vision of
The image that you see
I am here & you are here in me
I'm the connector
you 're the receiver
you're the projector
I'm the believer
You are like the ghost that I have
Passed along the way
An illusion of a memory
That fades
I'm like the wish you dropped
Into the slide machine
Disappeared behind the coloured screen
