## **Dopethrone**

## **Electric Wizard**

Dope priest prophecy

Doomantra from beneath the sea

Green throne, raised to the black sun

Doom child, wake to planet songRise, black amps tear the sky

Feedback will free your mind and set you free

Rise, black amps tear the sky

Riff hewn altar wreathed in smoke and weedDopethrone, in this land of sorcery

Dopethrone, vision through T.H.C.

Dopethrone, feedback will free

Dopethrone, three wizards crowned with weed, yeahBlack monolith charged with unlight

Sacrifice to forever midnight

Towers, titan sonic wave

Sorcery, necromantic slavesRise, black amps tear the sky

Feedback will free your mind and set you free

Rise, black amps tear the sky

Riff hewn altar wreathed in smoke and weed, yeahDopethrone, in this land of sorcery

Dopethrone, vision through T.H.C., yeah

Dopethrone, feedback will free, yeah

Dopethrone, three wizards crowned with weed, yeahIn this land of sorcery

Vision through T.H.C.

Holy feedback, it will free

Three wizards crowned with weedRise
