

2wayforyou (interlude)

Janet Jackson

{ Terry, with the same message
But I won't do it
Okay wait, I got another page
Hold on, I just paged that one
Okay, hold on
Hold on guys, I'm sorry
So have something to write
I'm sorry

You ready?
I'm so sorry
Yes, I know
Okay, here we go
In a fuckin' ever
Ready?
You ready? }
