

# Politics

## All

Keep your politics out of my life  
Your politics out of my face  
Your politics out of my way Maybe I wanna drink myself to death  
Oh, yeah, I voted for none of the above  
Who the fuck are you to tell me what to believe in? Keep your politics out of my life  
Your politics out of my way  
Your politics out of my music Nobody can control me  
I'm gonna do what I wanna do  
Hey, Mr. President, you can suck my cock  
Ain't no motherfucker gonna tell me what to do
