

# In Your Shoes

[SALU](#)

What's the sense in all the drama?  
Hate is such a waste of time;  
I just want to live the good life, the good life  
You got your game, I got mine If I was in your shoes  
I would handle my business  
If I was in your shoes  
Instead of trying to see what mine is  
If I was in your shoes  
Why don't you sleep at night  
Get up and get a life. Of your own?  
Why don't you...Get yourself a life and make it work,  
Make it work [x4] Well I heard you got a problem  
And it starts and ends with me... Well  
I don't think I got the answer, the answer  
I can't stop your jealousy If I was in your shoes  
I would handle my business  
If I was in your shoes  
Instead of trying to see what mine is  
If I was in your shoes  
Why don't you sleep at night  
Get up and get a life. Of your own?  
Why don't you...Get yourself a life and make it work,  
Make it work [x4] I keep it "Superwoman" all the way  
I work for everything I got  
Oh, I'm just striving every day  
And I can't help it if you're not... If I was in your shoes  
I would handle my business  
If I was in your shoes  
Instead of trying to see what mine is  
If I was in your shoes  
Why don't you sleep at night  
Get up and get a life. Of your own?  
Why don't you...Get yourself a life and make it work,  
Make it work [x4]
