Sunshine

Stephen Speaks

R. Ripperger
When all my days get long
And all my motivation's gone
I just wanna chill with you
We can watch a film or two (and then)
We can sit all days and talk (and when)
Night falls we'll take a walk
We can look at the starry skies
Maybe then you'll realize
The sun can never set on me
Because you are and you'll always be
My sunshine, my only sunshine
You make me happy when skies are grey
You'll never know dear, how much I love you
Please don't take my sunshine away
So when it rains outside
You can never get teary eyed (because)
I will bring the sun to you (and then)
We can make it shine when we want to
Sittin by the fireplace (we can)
Make a joke or a funny face
We can play a game of clue (because)
It don't matter as long as I'm with you

The storms can never rain on me
Because you are and you'll always be
My sunshine, my only sunshine
You make me happy when skies are grey
You'll never know dear, how much I love you
Please don't take my sunshine away
Though some may say, "rain please go away
We don't want to stay inside today"
But if they had a girl like mine, they'd be prayin
That it'd be rainin all the time
My sunshine, my only sunshine
You make me happy when skies are grey
You'll never know dear, how much I love you
Please don't take my sunshine away
You are my baby, my only baby

And I never knew a love this true could ever be for me
Whatever trouble comes my way
I know that I will be ok
Because the love you give me can never be taken away
