

# Leave You Alone (feat. Ne-Yo)

Young Jeezy

She said, she said, you ain't no good, no good  
But you feel so good, she said, she said, what if I could?  
But I gotta leave you alone, ah  
She said I gotta leave you alone  
I, she said, I know you bad, but I want you bad  
She said, she said, makes me so sad  
That I gotta leave you alone  
She said, I gotta leave you alone, look, look, look I got my mind on my money,  
All I need is a bad bitch  
That I can run through the city spend this cash with  
That I can run through this city spend this cash on  
Wake up in the morning get my smash on  
I don't want much much baby egg whites  
Keep your stomach and your thighs and your legs right  
While I'm out here focused getting this bread right  
But if the head right, Jeezy did it erry night  
Wake up in the morning and I'm still here  
Wake up in the morning and I ain't gone  
All I ask, let me just do me  
And maybe just me and you can get along  
Had them other bitches mad when they seen us  
Had to match our Rolexes baby team us  
Yeah the earth is our turf we can share the world  
Maybe even go half on a baby girl  
She said, she said, you ain't no good, no good  
But you feel so good, she said, she said, what if I could?  
But I gotta leave you alone, ah  
She said I gotta leave you alone  
I, she said, I know you bad, but I want you bad  
She said, she said, makes me so sad  
That I gotta leave you alone  
She said, I gotta leave you alone, look, look, look Let me be your mind reader, let me read your mind  
And when I'm done with the front, hit it from behind  
Love a loyalty never cross the line  
Just hit a nigga up when I cross your mind  
Show you how to get your own, you won't be watching mine  
Put you up on Jee, show you how to shine  
And maybe we can kick it when I got the time  
Be my back bone every nigga need a spine  
Gotta know you ride with me if I'm right or wrong

Case I wake up in the morning and it's all gone  
Best believe I'ma get it right back  
It's the hustler in me I know you like that  
You probably think I'm with a different broad every night  
When I think about it shit man you're probably right  
The more I think about it shit you're probably wrong  
Cause what you didn't think about it that I'm probably grown  
She said, she said, you ain't no good, no good  
But you feel so good, she said, she said, what if I could?  
But I gotta leave you alone, ah  
She said I gotta leave you alone  
I, she said, I know you bad, but I want you bad  
She said, she said, makes me so sad  
That I gotta leave you alone  
She said, I gotta leave you alone, look, look, look  
She said she wish she never met me  
Cause she just can't help but let me  
Go ahead do whatever the hell I want  
She said she hate how much she need me  
Turn around, and say she don't need me  
Always talking about she gonna leave me  
But she don't  
But maybe this time I'll be different  
Cause she shed so many tears  
She'll remind me all the dumb shit that I've done over the years  
But she don't be tripping in the morning, I got her legs up by her ears  
But as soon as we get done, I swear this is all I hear, yeah  
She said, she said, you ain't no good, no good  
But you feel so good, she said, she said, what if I could?  
But I gotta leave you alone, ah  
She said I gotta leave you alone  
I, she said, I know you bad, but I want you bad  
She said, she said, makes me so sad  
That I gotta leave you alone  
She said, I gotta leave you alone, look, look, look
