Fairytale Love Story

Alice In Chains

Jill, came tumbling down
At the bottom of the hill
Jack busted his crown
Ah, my fairytale love story
My fairy life
My fairytale love story
To get you off of my..
I got to thinking
Things aren't as good as they can be
I got to drinking
The bitch is over the brink
The bitch is over the brink
Tommy Prince, kissed a few there on the lips
She woke him with a cold sore, she ain't so pretty no more
Ah, my fairytale love story
My fairy life

My fairytale love story
To get you off of my..
I got to thinking
I'm not as sweet as them all
I got to drinking again
The bitch is over the brink
The bitch is over the brink
My fairytale love story
Ooo, My fairytale love story
Yeah, you're my fairytale love story
Ooo, my fairytale love story
The bitch is over the brink
The bitch is over the brink
Rapunzel let down your hair, I'll cut it off
