Burn It

Carpark North

Everything I did
I did for you
I have put away my pride for you
Taking all the hardest roads I knew
Cause' I got you on my mindYou were never there
To touch my love
It was never ever clear
What you thought about
But I can never live without you love
Cause' I got you on my mindI'm gonna break this
I'm gonna burn it to the ground
I'm gonna break this
I'm gonna burn it to the groundWhoa!
To the Ground!
Yeah!Automatic thoughts take over now
They are forcing me to walk through fires now
Have you been lying all this time till now?
I can't get you of my mindThere is only you
No one above
There'll never ever
Be another you, my love
All my soul is aching for you love
I can't get you of my mindI'm gonna break this
I'm gonna burn it to the ground
I'm gonna break this
I'm gonna burn it to the groundWhoa!
To the Ground!
Yeah!There's a hole in my heart
A hole in my soul
A hole in my world
I can never let go
Have you been?
Have you been?
Have you been faithful?There's a hole in my heart
A hole in my soul
There's a hole in my world
I can never let go
Have you been?
Have you been?

Have you been faithful?I'm gonna break this
I'm gonna burn it to the ground
I'm gonna break this
I'm gonna burn it to the groundYeah!
Yeeaaaah!
To the Ground!
Yeah!
