Notebook

Majical Cloudz

I'm feelin' you, you feelin' me
But still we can't be together
I got a feelin' you got these same feelin's
Too bad we can't feel 'em together
I sit on my bed and wonder
How it'd be if you were mine
I think of you like no other
Here's what I do every night
Write in my notebook
X's and o's beside your name
Only my notebook knows how I feel
My heart is on every page
Oh, oh, oh, oh
(Feel a little like)
Oh, oh, oh, oh
(Love a little like)
Oh, oh, oh, oh
(Feel a little like)
Hey, hey
Oh, oh, oh, oh
(Feel a little like)
Oh, oh, oh, oh
(Love a little like)
Oh, oh, oh, oh
(Feel a little like)
Hey, hey
Do you have any idea
How hard it is to act like you don't mean a thing?
And this chemistry between you and me
I wanna share with everyone
(Oh)
All I can do is just write down every emotion I feel
Hopefully one day you'll find out
My love for you is real, so I
Write in my notebook
X's and o's beside your name
Only my notebook knows how I feel
My heart is on every page
Oh, oh, oh, oh

(Feel a little like)
Oh, oh, oh, oh
(Love a little like)
Oh, oh, oh, oh
(Feel a little like)
Hey, hey
Oh, oh, oh, oh
(Feel a little like)
Oh, oh, oh, oh
(Love a little like)
Oh, oh, oh, oh
(Feel a little like)
Hey, hey
So many times I must have loved and lost
(I've patched up every one)
So many times I've let love walk by
(I've let love go by)
This time's it's going to be different
(It's gonna be different this time)
Take my notebook, read every thought in my mind, so I
Write in my notebook
X's and o's beside your name
Only my notebook knows how I feel
My heart is on every page
Oh, oh, oh, oh
(Feel a little like)
Oh, oh, oh, oh
(Love a little like)
Oh, oh, oh, oh
(Feel a little like)
Hey, hey
Oh, oh, oh, oh
(Feel a little like)
Oh, oh, oh, oh
(Love a little like)
Oh, oh, oh, oh
(Feel a little like)
Hey, hey
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Hey, hey
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh

Hey, hey
Oh, oh, oh, oh
