Paralyze

Tila Tequila

Na, na, na
Every time you messed with my head
(Na, na, na)
All the things you did and you said
(Na, na, na)
See my scars spell out your name and you're paralyzing me
(Na, na, na)Every time you left me behind
(Na, na, na)
All these tears are no longer mine
(Na, na, na)
Because you took it all away and you're paralyzing meMemories, they fall apart, whenever you're inside my head
Take my tears, they say a lot, since you're the one who put them there
When I needed you the most you were, nowhere to be found
But I still hung on, just hoping for my love to come aroundNa, na, na
Every time you messed with my head
(Na, na, na)
All the things you did and you said
(Na, na, na)
See my scars spell out your name and you're paralyzing me
(Na, na, na)Every time you left me behind
(Na, na, na)
All these tears are no longer mine
(Na, na, na)
Because you took it all away and you're paralyzing meI miss those times when things were simple and you're heart was mine
I just don't understand how you could throw it all away
When I needed you the most you were, nowhere to be found
But I still hung on, just hoping for my love to come aroundNa, na, na
Every time you messed with my head
(Na, na, na)
All the things you did and you said
(Na, na, na)
See my scars spell out your name and you're paralyzing me
(Na, na, na)Every time you left me behind
(Na, na, na)
All these tears are no longer mine
(Na, na, na)
Because you took it all away and you're paralyzing meLook up in the sky, it's a bird, it's a plane

Naw, it's just me again, cryin' in the rain
I can't figure out why I feel so ashamed
You pushed me so hard, that I feel so insaneEvery time I'd cry you ain't there to wipe my eyes
Whenever I was scared you weren't by my side
The only thing it did was it made me wise
So I guess, it's all good cause it kept me aliveWhen I needed you the most you were, nowhere to be found
But I still hung on, just hoping for my love to come aroundNa, na, na
Every time you messed with my head
(Na, na, na)
All the things you did and you said
(Na, na, na)
See my scars spell out your name and you're paralyzing me
(Na, na, na)Every time you left me behind
(Na, na, na)
All these tears are no longer mine
(Na, na, na)
Because you took it all away and you're paralyzing me
