

# I Will Never Let You Down

Rita Ora

Tell me baby what we're gonna do  
I'll make it easy, got a lot to lose  
Watch the sunlight, coming through  
Open the window, let it shine on you 'Cause I've been sick and working all week  
And I've been doing just fine  
You've been tired of watching me  
Forgot to have a good time, boy  
You can take it all these spaces  
Never keeping it real  
I know exactly how you feel When you say you've had enough  
And you might just give it up  
Oh, oh  
I will never let you down  
When you feeling low on love  
I'll be what you dreaming of  
Oh, oh  
I will never let you down  
Oh, oh  
I will never let you down  
Oh, oh  
I will never let you down There's a million ways to go  
Don't be embarrassed if you lose control  
On the rooftop, now you know  
Your body's frozen and you lost your soul 'Cause I've been sick and working all week  
And I've been doing just fine  
You've been tired of watching me  
Forgot to have a good time, boy  
You can take it all these spaces  
Never keeping it real  
I know exactly how you feel When you say you've had enough  
And you might just give it up  
Oh, oh  
I will never let you down  
When you feeling low on love  
I'll be what you dreaming of  
Oh, oh  
I will never let you down  
Oh, oh  
I will never let you down

Oh, oh  
I will never let you down Let me take you where you never go  
Have a little fun, it's the only way we know  
Let me show you what you never see  
You know how to love only when you're holding me When you say you've had enough  
And you might just give it up  
Oh, oh  
I will never let you down  
When you feeling low on love  
I'll be what you dreaming of  
Oh, oh  
I will never let you down When you say you've had enough  
And you might just give it up  
Oh, oh  
I will never let you down  
When you feeling low on love  
I'll be what you're dreaming of  
I will never let you down
