Soul Mate

Funkadelic

Given the chance
I would love the hell out of you, little girl
Don't you know
Give me a sign (give me a sign)
Let me know if it's alright that I desire youYou've got just what it takes
To turn me on
You're out of sight girl, don't you know?I just want to kiss you on your
Desire, baby
I've got a thing for you
I want to kiss ya!
I just want to kiss you on your
Desire, baby
I've got a thing for youI feel like trying (feel like trying) my love out on you, girl
Feel like trying (feel like trying, oh!)
Trying my love out on you, girl (feel like trying)
I feel like trying out (feel like trying)Movin' around
Girl you got me so upset, don't you know
Don't it show
Give me a place (give me a place)
To say, baby let's get down
All the wayYou've got just what it takes
To turn me on
And I'm out of sight girl, don't you know?I just want to kiss you on your
Desire, baby
I've got a thing for you
I want to kiss you
I just want to kiss you on your
Desire, baby
I've got a thing for youI feel like trying (feel like trying) my love out on you, girl
I feel like trying (feel like trying, oh!)
I feel like trying my love out on you, girl
