My Attitude

Bratz

(Chorus) My Attitude performed by Yasmin
Can you handle my style
Can you handle my attitude
Are you ready for me i guarantee
What ya get is what you see and thats the truth
Can you handle my style
Can you handle my attitude
Cause i really wanna shine every time
Take the world by suprise and i'm ready to

(Verse 1)

I'm the only one just like me
You can say i'm original
Got my own personality
I'm individual
What i wear, what i say, what i look like
Got a fashion all my own
There's never been anybody like me
Time to let it show

(Chorus)

(Verse 2)

I can be anything that i want to
Confident in the way i feel
I'm the one that my dreams belong to
I'm gonna make them real
Everyone is one of a kind
And i'm an untraditional girl
You can say i'm the one and only
ME IN THE WORLD!

(Chorus)

(SASHAS RAP)

Its who i am, i understand
I got my style, I got my plan
Yeah, i'm the only one of me, original thats right
And i know i know i can just be anything that i like
What I wear, my attitude

Its my own thing its what I do...yeah
I never hold back the way that i feel
Because I'm keepin' it real

(Chorus)
