Say It To Me Now

The Swell Season

Scratching at the surface now
And I'm trying hard to work it out
So much has gone misunderstood
And this mystery only leads to doubt
And I'm looking for a sign
In this a dark uneasy time
And if you have something to say
Say it to me now
And I'm not trying to pass the buck
I'm just trying to get a better look
And I'm wondering how it feels for you
Now that the shoe is on the other foot
And I didn't understand
When you reached down to take my hand
And if you have something to say
You better say it now
'Cause this is what you've waited for
Your chance to even up the score
And as these shadows fall on me
Now I will somehow
'Cause I'm clearing up this wreckage, Lord
And it's more than You've ever seen before
So if you have something to say
Say it to me now
Say it to me now
And I didn't understand
When you reached down to take my hand
And if you have something to say
Oh, you better say it now
'Cause this is what you've waited for
Your chance to even up the score
And as these shadows fall on me
Now I will somehow
'Cause I'm picking up a message, Lord
And I'm closer than I've ever been before, yeah
So if you have something to say
Say it to me now
Say it to me now
Say it to me now
