

Testify (Beef Theatre RMX)

Rage Against the Machine

The movie ran through me
The glamour subdue me
The tabloid untie me
I'm empty please fill me
Mister anchor assure me
That Baghdad is burning
Your voice it is so soothing
That cunning mantra of killing
I need you my witness
To dress this up so bloodless
To numb me and purge me now
Of thoughts of blaming you
Yes the car is our wheelchair
My witness your coughing
Oily silence mocks the legless
Ones who travel now in coffins
On the corner
The jury's sleepless
We found your weakness
And it's right outside our door
Now testify Now testify
It's right outside our door
Now testify
Yes testify
It's right outside our door With precision you feed me
My witness I'm hungry
Your temple it calms me
So I can carry on
My slaving sweating the skin right off my bones
On a bed of fire I'm choking on the smoke that fills my home
The wrecking ball is rushing
Witness your blushing
The pipeline is gushing
While here we lie in tombs
While on the corner
The jury's sleepless
We found your weakness
And it's right outside your door
Now testify

Yeah testify
It's right outside our door
Now testify
Now testify
It's right outside our door
Mass graves for the pump and the price is set, and the price is set
Mass graves for the pump and the price is set, and the price is set
Mass graves for the pump and the price is set, and the price is set
Mass graves for the pump and the price is set, and the price is set
Who controls the past now controls the future
Who controls the present now controls the past
Who controls the past now controls the future
Who controls the present now? Now testify
Testify
It's right outside our door
Now testify
Testify
It's right outside our door
