

Away from You

[Tje Austin](#)

You tell me that i've been holding back
you say that my personality has changed
well I'm telling you i still feel the same
maybe it's just i'm growing up
maybe it's too fast for you to match my pace
there's too much in life that i'm aiming for
baby we've been going round and round
I'm feeling lost in love
but do i really want to be found? I don't really know what i wanna do when it comes to you
do i stay? do I go? do i want this? do i need it?
baby can i leave it?
in my heart I know that I can't get away from you
Don't know what i wanna do when it comes to you
do I stay? do I go? do I want this? do I need it?
baby can I leave it?
in my heart I know that i can't get away from you
yeah yeah yeahhhh I know that i've been holding back
and maybe my personality has changed
I really wish things could be the same
I think you used to love me once
and i think you used to be my everything
but now it seems we made a mess of things Baby we've been going round and round
I'm feeling lost in love
but do i really want to be found? I don't really know what i wanna do when it comes to you
do i say? do i go? do i want this? do i need it?
baby can I leave it?
in my heart i know that i can't get away from you
I don't know what i wanna do when it comes to you
do I stay? do i go? do i want this? do I need it?
baby can I leave it?
in my heart I know that I can't get away from you
yeah yeahhhh
can't get away from you.
yeah yeahhhh
can't get away from you.
yeah yeahhhh
can't get away from you.
