We All Have Rhythm

Pillowtalk

I'll wait till you stop feeling sorry for yourself.
And I'd bend inside out before you ever let it go.
And our will is too strong to be bought by someone else.
Now it's all behind us, follow me and sing along.
Ohh. We gonna sing a song about you girl.
I left home so I can finally show
you're not the only one to fall in love.
It's okay we all have rhythm so play out only if we didn't say.
(Again)
(And again ^-^)
