Do It! (Live)

Death From Above 1979

Oh, I wish you well,
And hope someday you life turns out just like you planned.
Oh, I hope you can,
Find it in you to forget all the things I've said.
Yeah, I know you will,
Cause you're my friend and that's the nicest thing I've said.
Oh yeah, I hope to God,
I hope to God that someday you will understand.

I don't regret you understand the things we say are not always the things we feel you need to think before you make mistakes that someday may end up killing the reasons why you do the things you have to do one day maybe you'll prove me wrong and you won't need to.
[repeat]

Whoa, I hope you can,
Find it in you to forget all the things I've said.
Yeah, I hope you can,
Find it in you to forget all the things I've said.
