

Sequin Smile

Morton Valence

I know that you're aching
the rooftops are shaking
I'll be waiting
For you

Ride in the lift to the seventh floor
Sequin smile number 64
Whisper in my ear turn the music on
I'll show you the sweetest thing

She'll be swinging her legs in the hallway
Pay homage to the Goddess of the Stairs
She'll be standing there
She doesn't care

Ride in the lift to the seventh floor
Sequin smile number 64
Whisper in my ear turn the music on
I'll show you the sweetest thing
