

Insatiable (Specificus 'Let It)

Darren Hayes

When moonlight crawls along the street
Chasing away the summer heat
Footsteps outside somewhere below
The world revolves I let it go
We build our church above this street
We practice love between these sheets
The candy sweetness scent of you
It bathes my skin I'm stained by you
And all I have to do is hold you
There's a racing in my heart
I am barely touching you Turn the lights down low
Take it off
Let me show
My love for you
Insatiable
Turn me on
Never stop
want to taste every drop
My love for you
Insatiable The moonlight plays upon your skin
A kiss that lingers takes me in
I fall asleep inside of you
There are no words
There's only truth
Breathe in Breathe out
There is no sound
We move together up and down
We levitate our bodies soar
Our feet don't even touch the floor
And nobody knows you like I do
The world doesn't understand
But I grow stronger in your hands Turn the lights down low
Take it off
Let me show
My love for you
Insatiable
Turn me on
Never stop
want to taste every drop

My love for you
Insatiable Turn the lights down low
Take it off
Let me show
My love for you
Insatiable
Turn me on
Never stop
want to taste every drop
My love for you
Insatiable We never sleep we're always holdin' hands
Kissin' for hours talkin' makin' plans
I feel like a better man
Just being in the same room
We never sleep there's just so much to do
Too much to say
Can't close my eyes when I'm with you
Insatiable the way I'm loving you Turn the lights down low
Take it off
Let me show
My love for you
Insatiable
Turn me on
Never stop
want to taste every drop
My love for you
Insatiable Turn the lights down low
Take it off
Let me show
My love for you
Insatiable
Turn me on
Never stop
want to taste every drop
My love for you
Insatiable
