

# Out in Space

**S.P.O.C.K**

Late at night, stars shining bright  
on me, down by the sea  
And when I see them in the sky  
constantly I'm asking why  
I was stranded here  
I wish I could be  
Out in space  
I dream away, I don't want to stay  
in a world that's so absurd  
I wish we had a moon or two  
like some other planets do  
why was I born here?  
I wish I could be  
Out in space
