

# Love the World You Find

## The Flaming Lips

You don't know what you're becoming  
Who knows what you're gonna be  
We don't know where we're going  
We don't know 'cause we can't see  
If I could tell your future  
I'd say love the world you find  
In the dark times and the hard questions  
Let some sunshine in your mind  
Sun is rising, and I think that's good  
You're just now realizing  
Some things you never thought you would  
Sun is rising, and I think that's good  
You're just now realizing  
Some things you never thought you would
