

Fantasy

Mini Mansions

Take a step do not pass go
I'm not a playa but I've a deck of trick cards
You say jump I say how low
I'm not a lover but I've a glitch for a heart
Take a step do not pass go
I'm not together but I've connectable parts
Here's another wish I'll blowI wanna finish that line I never could start
Finish that line I never could start
Finish that line I never couldOh
My legs are tightening
Oh
Your voice is lightning
Oh, oh, ohOh
Add it up
You're in all my fantasies
I can send it with my body after the end of the show
Oh
Add it up
You're in all my fantasies
I can send it with my bodyTake a step do not pass go
I'm not a killer, but I've a tank of pet sharks
Should I stay or should I go?I wanna finish that line I never could start
Finish that line I never could start
Finish that line I never could...Oh
I think I lost the light
Ohhhh
Who brought the dynamite?
Oh, oh, ohOh
Add it up
You're in all my fantasies
I can send it with my body after the end of the show
Oh
Add it up
You're in all my fantasies
I can send it with my body after the end of the showOh
Add it up
You're in all my fantasies
I can send it with my body after the end of the show
Oh

Add it up
You're in all my fantasies
I can send it with my body
Fools on the run, like I told ya
