

# Invincible

## Tinie Tempah

Tinie Tempah, Ishi, Kelly Rowland, Lets go

Invincible, invincible

Invincible, invincible

We're invincible

Ah, yeah they said we shouldn't, uh they said we wouldn't

Aah look where we are, We've done what they thought we couldn't

As bad as the odds were looking. Push yeah we kept on pushing

And every time I nearly hit the ground you were my cushion

There's evidence that proves that you were heaven sent

'Cos when I needed resucin' you were there at my defence

Girl in you I find a friend you make me feel alive again

And I feel like the brightest star 'cos you make me shine again

No matter where we are, no matter just how far our paths may lead

We don't need no shields 'cos love is the armour that we need

We're invincible, Invincible

Invincible loves our protector

Invincible, Invincible

Invincible, we're invincible

Yeah, ah from the wildest water, ah to the highest mountains

Ah you and i forever even through the driest deserts

You lift me higher than ever, I feel as light as a feather

And when we're fightin' together, we can take on the weather

I will keep you warm through, every single storm you

Ever have to walk through, I will go before you

I will be the voice when you need someone to talk to

Please don't ever doubt me, let me reassure you

No matter where we are, no matter just how far our paths may lead

We don't need no shields 'cos love is the armour that we need

We're invincible (we are), Invincible (you are)

Invincible, loves our protector

Invincible (we are), Invincible (you are)

Invincible, We're invincible

It's you and I against the world

They can't stop us now

We've come too far

We've worked too hard

We're invincible

Forever...

No matter where we are, no matter just how far our paths may lead

We're invincible..... ahhhhh

No matter where we are, no matter just how far our paths may lead

We dont need no shields 'cos love is the armour that we need

We're invincible, invincible

invincible, loves our protector

Invincible, invincible, invincible.

We're invincible
