

Honey

Pumarosa

God gave us honey
Oh, he gave us honey
God gave us honey Oh you stupid son of a bith
Yea you stupid son of a bith
Oh you stupid son of a bith Events come and go
As waves of fever
And you tell me stories
Of good and evil Events come and go
As waves of fever
And you tell me stories
I want to believe in
Into the wasteland we blindly stray
Wake up your sleeping family
Into the wasteland we blindly stray Stock inside this dance forever
Walk in circles all together
Stock inside this dance forever Events come and go
As waves of fever
And you tell me stories
I want to believe in Events come and go
As waves of fever
And you tell me stories
Of good and evil Oh we go
Through every open door
Always want more
Always want more, yeah
Oh we go
Through every open door
Always want more
Always want more, and more...
And more, and more...
More... more. more...
