

I Don't Really Care (Ft. A-Dash)

Ne-Yo

I dont really care (I dont really care)

I dont really care (I dont really care)

Say, say your friends dont like me, stay talkin bout me, stay tellin you Im doing wrong

Say, let em say what they wanna say, mad cause they lonely, nothing is still going strong, so I dont really care

Let em hate me, I dont really care, as long as my baby, is standing right here, right beside me, they can do
whatever they wanna do

I dont really care, it dont phase me, I dont really care, as long as I got my baby, I dont really care, let em hate
me, and they can do whatever they wanna do

Say, stay tryna tell you, they think you should do, treating you like you aint got your own damn mind, but youre
a grown ass woman, and thats what they dont understand, but if they dont got a better way to spend their time,
fine

So I dont really care

Let em hate me, I dont really care, as long as my baby, is standing right here, right beside me, they can do
whatever they wanna do

There aint a damn thing they can do to me

I dont really care, it dont phase me, I dont really care, as long as I got my baby, I dont really care, let em hate
me, and they can do whatever they wanna do

There aint a damn thing they can do to me, baby as long as its you and me, hate if you want, let them hate if
they want,

Baby, as long as you believe in me, there aint no defeating me, so hate if you want, let them hate if they want

So I dont really care

Let em hate me, I dont really care, as long as my baby, is standing right here, right beside me, they can do
whatever they wanna do

There aint a damn thing they can do to me

I dont really care, it dont phase me, I dont really care, as long as I got my baby, I dont really care, let em hate
me, and they can do whatever they wanna do
