Another Time Another Place

U2

Bright morning lights
Wipe the sleep from another day's eye
Turn away from the wall
And there's nothing at all
Being naked and afraid
In the open space of my bedI'll be with you now
I'll be with you now
I'll be with you now
We lie on a cloud
We lieJust as I am
I awoke with a tear on my tongue
I awoke with a feeling of never before
In my sleep I discover the one
But she ran with the morning sunI'll be with you now
I'll be with you now
I'll be with you now
We lie on a cloud
We lieAnother time, another place
We lie
Another child has lost the race
We lie
Another time, another place
We lie
Your time, your priceWe lie
Another time, another place
We lie
Another child has lostBonoleseWe lie
Another time, another place
We lie
Your time, your place
