Female Persecution

Juliette Lewis

Sister, you've been blind
Sister of a crime
Woman, woman
Disappearing clothes
You hang on a lineI share nothing with the man
I share nothing
I share nothing with the manNow behind every door
You find a ghost and a whore
That voice still haunts
Don't come here
Don't come here
No more, no more
I share nothing with the man
I share nothing
I share nothing with the manTo be small
Burnt at the stake
To be small
I'm your best mistake
Fire and rimstone
Outtake
And tempted, now stalled
I am free and I want
I share nothingI share nothing
I share nothing with the man
I'll wear your black veil
I'll wear your black veil
I'll wear your black veil
I'll wear your black veil
So I don't tempt you anymore
I won't tempt you anymore
I won't tempt you
I won't tempt you
