Last Supper

Edens Edge

Look at the couple in the corner...
Looks a lot like you and me
She's looking now at the window
He's Staring down at his shoes.
She gets another glass of.
She's searching hard for something too say
He's got that little to late
Look on his... face
Look through eternal like a piece of glass
Is that what happens when the years fly past
.and feeling like that?
Chorus:
Oh, oh, oh, oh
Is it time for the coming of Jesus
Baby, tell me there won't be us!
Is all we are to each other
Could it be our last supper?
Tell me, are you uncomfortable numbAny love left, gotta be some!
When you bring me yo my favorite place
A little wine and everything is OK
Are we really gonna end this way?
Chorus:
Oh, oh, oh, oh
Is it time for the coming of Jesus
Baby, tell me there won't be us!
Is all we are to each other?
Could it be our last supper?
You break the bread and you break my heart
You raise the glass as we fall apart
Chorus:
Oh, oh, oh, oh
Guess it's time for the coming of Jesus
Looks like it just won't be us!
Looks like it's our last supper
Look at the couple in the corner...
