

# Another Day

## The Muffs

Any other time of day  
I would ever walk away  
From you 'cause you haven't got a clue  
When you always come around  
I know that I maybe sound stupid  
But I want to step on you If you say another word to me  
I'll make you sorry that you ever came my way  
Another day  
Another day Yeah  
If you want to be with me  
Think of all my privacy  
I'd appreciate you when you're gone  
Doing everything I do  
I wish I was rid of you  
But you stay around me for too long  
I know that you'll be here for a long time now  
If I don't make you gone, you're gonna stay Another day  
Another day  
Another day  
Another day  
If you say another word to me  
I'll make you sorry that you ever came my way Another day  
Another day  
Another day  
Another day  
Another day  
Another day  
Another day  
Another day  
Another day
