

Lost at Sea

The Fiery Furnaces

There was a time I was proud to be me
But now I'm all
Lost at sea
There was a time when I couldn't complain
But now it's you
I only blame
Baby I'm
Maybe I'm not me
There was a time I was happy to know you
Because you were me
And I was you
But now I wish I had left you
Without knowing
All of his feelings
Baby I'm
Maybe I'm not me
You were my best friend
And I pulled out the rug from under your feet
I can't believe I
Had the nerve to leave you standing out on the street
There was a time I was proud to be me
But now I'm all
Lost at sea
Baby I'm
Maybe I'm not me
