

# Bye Bye

## Mariah Carey

This is for my people's who just lost somebody  
Your best friend, your baby, your man or your lady  
Put your hand way up high, we'll never say bye  
Mamas, daddies, sisters, brothers, friends and cousins  
This is for my people's who lost their grandmothers  
Lift your head to the sky 'cause we will never say bye  
As a child there were them times  
I didn't get it but you kept me alive  
I didn't know why you didn't show up sometimes on Sunday mornings  
And I miss you, but I'm glad we talked through  
All them grown full things separation brings  
You never let me know it, you never let it show  
Because you loved me and obviously  
There's so much more left to say  
If you were with me today face to face  
I never knew I could hurt like this  
And everyday life goes on like  
I wish I could talk to you for awhile  
Miss you but i try not to cry  
As time goes by  
And It's true that you reached a better place  
Still I'd give the whole world to see your face  
And I'm right here next to you  
But it's like you're gone too soon  
Now the hardest thing to do is say bye bye  
Bye bye, bye bye, bye bye  
Bye bye, bye bye, bye bye, bye bye  
And you never got the chance to see how good I've done  
And you never got to see me back at number one  
I wish that you were here to celebrate together  
I wish that we could spend the holidays together  
I remember when you used to tuck me in at night  
With the teddy bear you gave me that I held so tight  
I thought you were so strong you'd make it through whatever  
It's so hard to accept the fact you're gone forever  
I never knew I could hurt like this  
And everyday life goes on like  
I wish I could talk to you for awhile  
Miss you but i try not to cry  
As time goes by  
And I know that you've reached a better place  
Still I'll give the world to see your face  
And I'm right here next to you  
It feels like you've gone too soon  
The hardest thing to do is say bye bye  
Bye bye, bye bye, bye bye  
Bye bye, bye bye, bye bye  
This is for my people's who just lost somebody  
Your best friend, your baby, your man or your lady

Put your hand way up high, we will never say byeMamas, daddies, sisters, brothers, friends and cousins

This is for my people's who lost their grandmothers

Lift your head to the sky 'cause we will never say bye, byeI never knew I could hurt like this

And everyday life goes on

I wish I could talk to you for awhile

Miss you but i try not to cry

As time goes byAnd soon as you reached a better place

Still I'll give the world to see your face

And I'm right here next to you

It feels like you gone too soon

The hardest thing to do is say bye byeBye bye, bye bye, bye bye

Bye bye, bye bye, bye bye

Bye bye, bye bye, bye bye, bye byeBye bye, bye bye, bye bye

Bye bye, bye bye, bye bye

Bye bye, bye bye, bye bye, bye bye
