

# The Reckoning

## 30 Seconds to Mars

The enemy arrives  
Escape into the night  
Everybody run now  
Everybody run now  
Break into another time This enemy alive  
Divinity defines  
Everybody run now  
Everybody run now  
Everybody run now  
Everybody run Under the burning sun  
I take a look around  
Imagine if this all came down  
I'm waiting for the day to come Come with us to the ride  
Join in the fight  
Everybody run now  
Everybody run now  
Break into another time Unity divides  
Division will unite  
Everybody run now  
Everybody run now  
Everybody run now  
Everybody run Under the burning sun  
I take a look around  
Imagine if this all came down  
I'm waiting for the day to come Under the burning sun  
I take a look around  
Imagine if this all came down  
America it's all so beautiful  
Until it comes away Under the burning sun  
I take a look around  
Imagine if this all came down Under the burning sun  
I take a look around  
Imagine if this all came down Under the burning sun  
I take a look around  
Imagine if this all came
