## New Found Glory

Forget me not  
Those weren't your words  
I'm home haven't you heard the ring?  
The sound of my voice  
I know it isn't much That's why I say your name  
When I fall, when I hit the bottom  
Say your name  
When I fall, when I hit the bottom Girl, play on  
The boys will stay even if you're gone  
Go girl, play on  
The boys will stay even if you're gone I've missed you  
Those weren't your words  
Seeing you became a charm  
And everyday, I wish I could  
Everyday I say your name  
When I fall, when I hit the bottom  
Say your name  
When I fall, when I hit the bottom Girl, play on  
The boys will stay even if you're gone  
Go girl, play on  
The boys will stay even if you're gone And I say, say your name  
When I fall I say, say your name  
When I fall, when I hit the bottom  
Say your name  
When I fall, when I hit the bottom Girl, play on  
The boys will stay even if you're gone  
Go girl, play on  
The boys will stay even if you're gone
